

# TOUR PLAYER DRESS CODE GUIDE

*NORTHWEST WOMEN'S POOL ASSOCIATION*

2023

# Presenting a professional image:

Presenting a professional player image helps our regional tour draw sponsors & livestream viewership. Your attire reflects on the tour, venues and our sponsors.

*As a general guideline, players should dress either professionally athletic or in business casual for Dress Code A on Sundays.*

## **SATURDAY**

In the interest of keeping the tour approachable yet still presentable, Saturday and 2nd Chance will utilize Dress Code B.

## **SUNDAY**

Dress Code A will be required for finals day as most of the players will be appearing on the livestream.

# Dress Code Policy:

*NWPA players are responsible for knowing and adhering to dress code ahead of events.*

If a player is found to be in excessive violation of the dress code, she will have 15 minutes to change her attire or forfeit her match. If you are unsure about your attire, check with a board member before your match or bring a back-up.

All dress code rules apply when players are bent over the table, not just standing up.

We do not wish to police dress code excessively during events, so please use your common sense and these guidelines for your attire. We are here to play pool!
